DELTA SIGMA THETA SORORITY, INC.**

***Black-Owned Business
Directory 2020 - 2021***

Greetings!

It is with great pleasure and pride that we, the Montgomery (AL) Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated, present its first Black Business Directory for the River Region and beyond. A vision and challenge were given to the co-chairs of the Economic Development Committee, Barbara Weatherly and Sandra Thomas, to develop a resource for our community to recognize and support black businesses. Both were accepted and the Economic Development Committee has worked hard compiling and categorizing black businesses. As a result, we have produced a document full of black businesses to support.

Empowering our community, economically, is in support of one of the areas of the national organization's Five-Point Thrust. This directory presents a wide variety of services and goods provided by black entrepreneurs. We strongly encourage you to not only use this directory as a personal guide, but we would like for you to share this directory as a way of expanding our support of black business owners.

Though the directory contains a variety of services, we are sure that there are many that are not included. We encourage you to submit businesses that are not included in this edition to be included in future editions. As always, we thank you for your continued support of the programs of the Montgomery (AL) Alumnae Chapter!

Committed to IMPACTFUL Service,

A handwritten signature in black ink, appearing to read 'Cassandra E. Brown', written over a light gray rectangular background.
